

# HERDSMAN m/f FOR DAIRYFARM

**Hærvejsgård is looking for a committed herdsman to become part of the team as soon as possible or by appointment.**

The farm is located in Bække, between Vejen, Vejle and Billund, and includes 260 SDM cows and 210 heifers. All 152 ha are cultivated with roughage, the field work is mainly handled by contracting companies. But if interested, there is the opportunity for a bit of field work.

On the farm, we aim for a structured everyday life with things in order. We put a lot of effort into utilizing the resources and thereby achieving economic production.

## Tasks

- Milking and the daily care of the cows
- Care of calves and heifers
- Feeding
- Contact veterinarian and inseminator
- Possibly. reporting and registration

## We expect

- That you are a skilled farmer or similar and have experience in the area
- That you can observe signs of disease and heat in the animals
- That you are a calm and patient person, flexible in terms of working hours also
- That you have English skills to be able to communicate with foreign employees
- That you are ready to act and create results

## We offer

- To become part of a team of 4 employees (incl. the owner)
- Shared breakfast on weekdays
- Influence on working hours and tasks
- Responsibility
- Salary according to qualifications
